

DAYTIME

Il classico divano a "pozzetto" completamente rivisitato in chiave contemporanea da Polaris: accogliente ed avvolgente, ma allo stesso tempo leggero grazie al basamento in metallo cromato che lo solleva da terra ed alle proporzioni accuratamente studiate per inserirsi in ambienti di ogni dimensione.

The classic tub sofa, totally revisited in a contemporary key by Polaris, cosy and embracing but light at the same time, thanks to the chrome metal base that lifts it from floor and to the proportion carefully studied to be inserted in all dimensions room.
